East Valley Athletes for Christ (EVAC) is a sports organization providing home schooled student athletes, from junior high through high school, an opportunity to participate in competitive athletics while focusing on the development of high character through the disciplines necessary for a successful team.

Hardly recognizable from its humble beginnings in 1995 with one boys' varsity basketball team and one coach, EVAC has grown steadily. We are now offering boys' and girls' basketball for junior high and high school players, along with girls' volleyball.

Although we are staffed entirely by volunteers, our exciting growth is also expensive. Uniforms and equipment, referees' fees, gym and field rental, league and tournament fees, insurance, and more are all part of making these life changing opportunities possible.

Our students are very motivated and have already begun various fund raising activities for the upcoming season. However, volunteers and a great group of young people are not enough to pay the expenses that these opportunities require.

Would you consider helping these athletes represent Arizona's East Valley with excellence?

All funds contributed are used directly and solely for capital expenditures and operation expenses for the year. Even small donations are greatly appreciated! **Because we are a 501 (c) (3) non-profit organization, your gifts are tax deductible** and will make a difference in the lives of these young students.

If you desire more information regarding EVAC's vision, I can arrange to have your questions answered by one of our Board members.

Thank you for your consideration.

Sincerely,

Jim Berry  
Chairman, EVAC Board of Directors
